

Professional Services Firm Moves to New Office

September 29, 2006
Akron, Ohio

The GPD Group, a professional services firm that specializes in architectural and engineering services, announces that it is moving to a new office in the Columbus, Ohio area. GPD Group will host an Open House at the new office located at 1801 Watermark Drive, Suite 150, Columbus, Ohio from 4:00 – 9:00 p.m. on October 23, 2006. Refreshments will be served featuring Made from Scratch Catering Service. The GPD Group, headquartered in Akron, Ohio, is expanding its offices throughout the Midwest.

The GPD Group differentiates itself from its competition in the architectural and engineering arena in several ways. One of which is that the firm manages projects based upon client and project type, not only according to discipline. The result is a multi-disciplinary team assembled to listen to a client's specific needs and address those needs in the project's design. Other ways in which GPD Group differs from the competition appears on the GPD Group web site at www.gpdgroup.com. Visitors will find a list of architectural and engineering services that the firm provides as well as a project gallery, an interactive magazine and a current projects section.

The GPD Group, located in Akron, Columbus and Stow, Ohio, and Indianapolis, Indiana, is a professional services firm that specializes in architectural and engineering applications for diverse markets, which includes transportation, public works, education, power generation, telecommunications and wireless systems. For more information about the GPD Group, visit them on-line at www.gpdgroup.com or call the toll free number at 1-800-955-4761.
