

BUILDINGS

INTERMODAL TRANSIT FACILITY  
Akron, Ohio

**Owner:**

Akron Metro RTA

**Total Project Cost:**

\$16.5 million

**Completion Date:**

2008

**Project Description:**

A new state-of-the-art, 58,583 sq. ft. intermodal transit facility with a 52 bus capacity.

The concept of the Intermodal Transit Center was to facilitate the transfer between various modes of transport including not only the various service lines of the Akron METRO RTA system, SCAT buses, buses of the Stark (SARTA) and Portage (PARTA) Regional Transit Authority systems, taxis, but also the long-distance bus services of Greyhound. Location of the project site adjacent to the railroad tracks will additionally provide the possibility of future rail connections.

Project is seeking LEED® Gold certification
